

### True RECOMMENDED Freedom Trust RESOURCES 2024

True Freedom Trust is a UK-based teaching and pastoral support ministry holding to the orthodox biblical view of sex, gender and relationships. Our desire is to be full of grace and truth as we teach God's word in churches, conferences and Bible colleges, and as we provide pastoral care for those who struggle with same-sex temptations and gender dysphoria.

We run regular conferences aimed at encouraging and equipping Christians to hold firm to biblical teaching and to trust in the God of all grace in the midst of struggles and temptations.
