「OUR VISION」

True Freedom Trust (TFT)'s vision is to see churches uphold with compassion the orthodox biblical teaching on sexual relationships and gender. We long for Christians who struggle with same-sex attractions or gender identity to grow in faith and to flourish in their local churches.

We seek to act with both grace and truth as we provide pastoral care and as we teach the Bible to churches, conferences and Bible colleges.

「OUR EVENTS」

Throughout the year we run a number of conferences around the UK. They are always a great opportunity to gather together for teaching, worship and connection.

PASTORAL SUPPORT

We offer pastoral support to those personally facing same-sex attractions, as well as to their relatives, friends and church leaders.

Our publicly-available Safeguarding Policy details the importance we place on the safety, confidentiality and wellbeing of pastoral clients.

Pastoral support is offered face to face, over the phone or online.

We offer both online and local support groups which are led by volunteers in a number of locations across the UK and Ireland.

「GIVE」

We depend on the gifts of churches and individual Christians who share our vision for combining biblical truth with compassionate pastoral care. As we make no formal charge for providing pastoral support or teaching, we rely on donations to be able to provide services freely to individuals and churches in the UK and beyond.

Your gift will help us to continue this valuable work.

“ Although I struggle with same-sex attractions, TFT is a lifeline that reminds me that God still loves me and wants me to live a life that lacks no good thing. ”

「INVITE A SPEAKER」

All our speakers are personally impacted in some way by the topic of same-sex attraction. They can, therefore, share their personal stories and experience. We are able to speak in a variety of contexts including church services, Bible colleges, conferences and youth groups.

We specialise in speaking on same-sex attraction, but can also speak on related topics such as singleness, intimacy, biblical friendship and sexual purity. We aim to equip Christians to hold to biblical truth and care pastorally for those personally impacted.

“ The humble and gracious way the speaker engaged with us enabled a freedom in the conversation even about controversial issues. ”

Minister, Crossways Community Baptist Church
